

#### Special Meeting of the Board of Directors of Yuima Municipal Water District

Monday, December 12, 2022 2:00 P.M. 34928 Valley Center Road, Pauma Valley, California

Roland Simpson, President Don Broomell, Secretary / Treasurer Bruce Knox, Director

Steve Wehr, Vice President Vacancy

2:00 p.m.

1. Roll Call - Determination of Quorum

Broomell

Simpson

Simpson

- 2. Pledge of Allegiance
- **3. Approval of Agenda –** At its option, the Board may approve the agenda, delete an item, reorder items and add an item to the agenda per the provisions of Government Code §54954.2.

4. Public Comment – This is an opportunity for members of the public to address the Board on matters of interest within the Board's jurisdiction that are not listed on the agenda. The Brown Act does not allow any discussion by the Board or staff on matters raised during public comment except; 1) to briefly respond to statements made or questions posed; 2) ask questions for clarification; 3) receive and file the matter; 4) if it is within staff's authority, refer it to them for a reply; or 5) direct that it be placed on a future board agenda for a report or action. Inquiries pertaining to an item on the agenda will be received during deliberation on that agenda item. No action can be

**5. Oath of Office**: Yuima Staff Member Breona Easley will administer the Oath of Office to recently elected Board Member, Stephen "Steve" Wehr, Division 4.

#### I. <u>CONSENT CALENDAR</u>

Consent Calendar items will be voted on together by a single motion unless separate action is requested by a Board Member, staff or audience member.

taken unless specifically listed on the agenda (Government Code §54954.3)

- 1. Approve minutes of the Regular Meeting of October 24, 2022.
- **2.** Approve of Accounts Paid and Payables & Reporting under Government Code §53065.5 for October 2022.
- **3.** Acceptance of Monthly Financial Reports October 2022, Treasurer's Report and Cash Statements.
- **4.** Acceptance of the Certificate of Achievement of Excellence in Financial Reporting by the Governmental Finance Officers Association for Yuima's 2021 Annual Comprehensive Financial Report (ACFR).

Background: In order to be awarded a Certificate of Achievement in Financial Reporting, a government agency must publish an easily readable and efficiently organized Annual Comprehensive Financial Report. This report must satisfy both generally accepted accounting principles and applicable legal requirements. This is the 14th consecutive year that Yuima has achieved this prestigious award.

- 5. Presentation of ACWA/JPIA President's Special Awards for achieving a low ratio of paid claims and case reserves in both the Property and Liability Program and the Worker's Compensation Program for the period of July 2018 through June 2021.
- **6.** Receipt and Acceptance of Auditor's Engagement Letter.

#### 2:10-3:00 P.M. II. <u>ACTION DISCUSSION</u>

1. Approval of Notice of Vacancy and Appointment of a New Director for the Board of Directors of Yuima Municipal Water District.

Simpson

Background: At the first Board meeting in December 2022 Director Laney Villalobos' term expires. Per Government Code §1780 the Board of Directors has 60 days after the vacancy occurs to appoint a new director to the Board or call for a special election. The 60-day time period will expire on February 11, 2023. If the Board chooses to appoint a new director, it must post notice in the form provided.

Recommendation: That should the Board desire to appoint a candidate, they approve the Notice of Vacancy as presented.

2. Proposed Resolution Authorizing Investment of Moneys in the Local Agency Investment Fund and Rescinding Resolution No. 1758-17.

Simpson

Background: The purpose of this item is to update the authorized signatures on the District's LAIF account.

*Recommendation:* That, should the Board agree, they approve the Resolution as presented.

3. Proposed Resolution Authorizing Entry Into Wire Transfer Authorization and Agreement with California Bank & Trust and Rescinding Resolution No. 1874-20.

Simpson

Background: The purpose of this item is to update the authorized District Agents to initiate wire transfers.

Recommendation: That, should the Board agree, they approve the Resolution as presented.

**4.** Proposed Resolution Amending Employee Manual Section: 4E Health Insurance.

Simpson

Background: For Employees that have dual health coverage and meet all the requirements, the District offers a Voluntary Health Coverage Opt-Out Incentive Payment which is 30% of the Cal Care HMO +1 cost. The 2023 incentive is \$610.18 per month.

*Recommendation*: That, should the Board agree, they approve the Resolution as presented.

# **5.** Proposed Resolution Amending the District's Rules and Regulations Governing Water Service section 14.7, San Diego County Water Authority Capacity Charges.

Reeh

Background: This revision is to update the Rules and Regulations Governing Water Service to reflect the increase in the San Diego County Water Authority's Capacity Charge. This charge is a pass-through charge assessed to any new meter installations.

*Recommendation*: That, should the Board agree, they approve the Resolution as presented.

**6.** Proposed Ordinance Instituting a Cross Connection Control Program to Protect the Public Water System and Rescinding Ordinance No. 131-19.

Reeh

Background: This revision is to update acceptable certification requirements for the District's Backflow Prevention Assembly Testers.

Recommendation: That, should the Board agree, they approve the Ordinance as presented.

Regular Meeting 10/24/2022

#### 1. ROLL CALL - DETERMINATION OF QUORUM

President Simpson called the meeting to order at 2:02 p.m.

Call to Order 2:02 p.m.

#### **Directors Present:**

Roland Simpson, President Steve Wehr, Vice-President Don Broomell, Secretary/Treasurer Bruce Knox, Director (arrived at 2:47 p.m.) Present: 4

President Simpson declared that a quorum of the Board was present.

**Quorum Present** 

#### **Directors Absent:**

Laney Villalobos, Director

Absent: 1

#### Others Present:

Others
Present
General Manager, YMWD

Amy Reeh, General Manager, YMWD
Carmen Rodriguez, Administrative Assistant, YMWD
Lynette Brewer, Finance & Admin. Manager, YMWD
Mark Quinn, Operations Manager, YMWD
Adam Gettman, Battalion Chief, CAL Fire Station 70
Gregory Mowat, Fire Captain, CAL Fire Station 70
FF Duran, CAL Fire Station 70
FF Roj, CAL Fire Station 70

#### 2. PLEDGE OF ALLEGIANCE

General Manager Reeh led those present in the Pledge of Allegiance.

#### 3. APPROVAL OF AGENDA

General Manager Reeh requested to add to Action/Discussion Item number 4 "Approval of Purchase Order Exceeding \$35,000" for a Purchase Order in the amount of \$92,446.53 for the Member Share of JPA Expense. Upon motion being offered by Director Broomell, seconded by Director Wehr, Approval of Purchase order for the Member Share of JPA Expense was added to the agenda and was approved and carried unanimously by the following roll-call vote, to wit:

AYES: Wehr, Broomell, Simpson

NOES: None ABSTAIN: None

ABSENT: Villalobos, Knox

#### 4. PUBLIC COMMENT

No speaker requests were received and no other indication to speak was offered by members of the public present.

#### I. CONSENT CALENDAR

General Manager Reeh requested to remove Item number 4, Acceptance of Certificate of Achievement of Excellence in Financial Reporting. Upon motion being offered by Director Wehr, seconded by Director Broomell the minutes of the Regular Meeting of August 22, 2022, Accounts Paid and Payables for August and September 2022, and Monthly Financial Reports for August and September 2022 were approved by the following roll-call vote, to wit:

AYES: Wehr, Broomell, Simpson

NOES: None ABSTAIN: None

ABSENT: Villalobos, Knox

#### II. SPECIAL REPORTS

#### 1. Joint Powers Fire Report

Battalion Chief Adam Gettman introduced the new fire captain at Rincon Station 70, Fire Captain Gregory Mowat. Fire Captain Mowat presented the fire report and answered questions from the Board.

#### III. <u>ACTION/DISCUSSION</u>

#### 1. Discussion Only: PERS Liability Funding Level.

General Manager Reeh presented the PERS Actuarial Valuations and Funding Status to the Board. Every year the CalPERS performs an Actuarial Valuation that is used to determine many factors in relation to the District's Unfunded Liability, Normal Cost rate and Annual UAL Lump Sum Payment.

While the Employer Contribution reflects a 2% increase in the rate, the UAL payment has decreased by \$31, 963 from the current year. Additionally, the funded status of both the classic member and the PEPRA member plans is excellent. The District's current funded status is at 97% fully funded. However, this is most likely to change as the PERS investment returns fluctuate.

Staff has been researching any benefit that may be available from switching over to a CEPPT Trust.

This type of trust is similar to the trust the District has in place for its Other Post-Employment Benefits (OPEB) account which has performed better than the traditional PERS Pooled Funds.

2. <u>Consider the Calendar for the 2023 Yuima Municipal Water District's Board Meetings.</u>

Following discussion and upon motion being offered by Director Broomell seconded by Director Wehr, the Calendar for the 2023 Yuima Municipal Water District's Board Meetings was approved and carried unanimously by the following roll-call vote, to wit:

AYES: Wehr, Broomell, Simpson

NOES: None ABSTAIN: None

ABSENT: Villalobos, Knox

3. Review and Approve Change Order to Geoscience Contract to Perform Aquifer Testing and Analysis (\$25,401) and Monitoring Well Construction Management (\$74,791).

Following discussion and upon motion being offered by Director Wehr seconded by Director Broomell, the Board Approved the Change order to Geoscience Contract to Perform Aquifer Testing and Analysis and Monitoring Well Construction Mangement was approved and carried by the following roll-call vote, to wit:

AYES: Wehr, Broomell, Simpson

NOES: None ABSTAIN: None

ABSENT: Villalobos, Knox

4. <u>Approval of Purchase Orders Exceeding \$35,000 per Board Adopted</u> Purchasing Policy.

Following discussion and upon motion being offered by Director Broomell seconded by Director Wehr, *The Purchase Order for Geoscience in the amount of \$100,192 and Purchase order for Upper San Luis Rey Groundwater Management Authority in the amount of \$92,446.53* were approved and carried unanimously by the following roll-call vote, to wit:

AYES: Wehr, Broomell, Simpson

NOES: None ABSTAIN: None

ABSENT: Villalobos, Knox

#### III. INFORMATION/REPORTS

These reports have been made available in the Board packet, however, in an effort to adhere to Health Agency directive and limit time spent in the presence of others these reports will not be verbally reviewed. Specific questions will be addressed if necessary.

#### 1. Board Reports/Meeting

No Reports were Available.

#### 2. Administrative

General Manager Reeh reviewed Annual Water Supply and Demand Assessment (AWSDA) handout regarding the water supply shortage levels reported as of July 2022. Out of the 407 urban agencies reporting 176 agencies reported no shortage with only 5 agencies reporting a shortage of over 50%. However, this doesn't change the fact that there is a shortage on the Colorado River and mandatory cutbacks from the State are likely to occur.

Director Knox joined the meeting at 2:47 p.m.

#### 3. Capital Improvement Program

The Capital Improvement Report was available in the Board packet.

#### 4. Operations

The Operations Report was available in the Board packet.

#### 5. Counsel

Counsel was not present.

#### 6. Finance & Administrative Services

Reports were available in the Board packet.

#### V. OTHER BUSINESS

No other business was presented.

#### VI. ADJOURNMENT

There being no further business to come before the Board the meeting was adjourned at 3:09 p.m.

	Don Broomell, Secretary/Treasurer
Roland Simpson, President

#### California Government Code Section 53065.5

Each special district, as defined by subdivision (a) of Section 53036, shall, at least annually, disclose any reimbursement paid by the district within the immediately preceding fiscal year of at least one hundred (\$100) for each individual charge for services or products received. "Individual charge" includes, but is not limited to, one meal, lodging for one day, transportation, or a registration fee paid to any employee or member of the governing body of the district. The disclosure requirement shall be fulfilled by including the reimbursement information in a document published or printed at least annually by a date determined by that district and shall be made available for public inspection.

Roland Simpson President Yuima Municipal Water District, California

Dear Mr. Simpson:

We are pleased to notify you that your annual comprehensive financial report for the fiscal year ended June 30, 2021 qualifies for GFOA's Certificate of Achievement for Excellence in Financial Reporting. The Certificate of Achievement is the highest form of recognition in governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management.

When a Certificate of Achievement is awarded to a government, an Award of Financial Reporting Achievement (AFRA) is also presented to the individual(s) or department designated by the government as primarily responsible for its having earned the Certificate. This award has been sent to the submitter as designated on the application.

We hope that you will arrange for a formal presentation of the Certificate and Award of Financial Reporting Achievement, and give appropriate publicity to this notable achievement. A sample news release is included to assist with this effort.

We hope that your example will encourage other government officials in their efforts to achieve and maintain an appropriate standard of excellence in financial reporting.

Sincerely,

Michele Mark Levine

Director, Technical Services

Melele Mark Line

# Certificate of Achievement for Excellence in Financial Report Letter of Transmittal

Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to Yuima Municipal Water District for its annual comprehensive financial report for the fiscal year ended June 30, 2021. This is the fourteenth consecutive year that Yuima Municipal Water District has achieved this prestigious award. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized annual comprehensive financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current annual comprehensive financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to GFOA to determine its eligibility for another certificate.

Government Finance Officers Association

Certificate of Achievement for Excellence in Financial Reporting

Presented to

# Yuima Municipal Water District California

For its Annual Comprehensive Financial Report For the Fiscal Year Ended

June 30, 2021

Christopher P. Morrill

Executive Director/CEO

### The Government Finance Officers Association of the United States and Canada

presents this

# AWARD OF FINANCIAL REPORTING ACHIEVEMENT

to

# Finance and Administrative Services Department

Yuima Municipal Water District, California

The Award of Financial Reporting Achievement is presented by the Government Finance Officers Association to the department or individual designated as instrumental in the government unit achieving a Certificate of Achievement for Excellence in Financial Reporting. A Certificate of Achievement is presented to those government units whose annual financial reports are judged to adhere to program standards and represents the highest award in government financial reporting.

Yuima Municipal Water District (Y004) P.O. Box 177 Pauma Valley, CA 92061-0177

General Manager:

Each year at Fall Conference, the JPIA recognizes members that have a Loss Ratio of 20% or less in either of the Liability, Property or Workers' Compensation programs (loss ratio = total losses / total premiums).

The members with this distinction receive the "President's Special Recognition Award" certificate for each Program that they qualify in.

The JPIA is extremely pleased to present Yuima Municipal Water District (Y004) with this special recognition and commends the District on the hard work in reducing claims.

Congratulations to you, your staff, Board, and District. Keep up the good work!

The JPIA wishes you the best in 2023.

Miles McDonald

Sincerely,

Melody McDonald President

November 7, 2022

Board of Directors Yuima Municipal Water District Pauma Valley, California

We are engaged to audit the financial statements of the Yuima Municipal Water District (the "District") for the year ended June 30, 2022. Professional standards require that we provide you with the following information related to our audit. We would also appreciate the opportunity to meet with you to discuss this information further since a two-way dialogue can provide valuable information for the audit process.

#### Our Responsibilities under U.S. Generally Accepted Auditing Standards and Government Auditing Standards

As stated in our engagement letter dated June 29, 2022, our responsibility, as described by professional standards, is to express opinions about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audit of the financial statements does not relieve you or management of your responsibilities.

As part of our audit, we will consider the internal control of the District. Such considerations will be solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will also perform tests of the District's compliance with certain provisions of laws, regulations, contracts, and grants. However, providing an opinion on compliance with those provisions is not an objective of our audit.

Our responsibility is to plan and perform the audit to obtain reasonable, but not absolute, assurance that the financial statements are free of material misstatement.

We are responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures specifically to identify such matters.

Generally accepted accounting principles provide for certain required supplementary information (RSI) to supplement the basic financial statements. Our responsibility with respect to management's discussion and analysis, schedule of the District's proportionate share of the net pension liability, schedule of contributions - CalPERS pension plan, schedule of changes in the net OPEB liability (asset) and related ratios, and schedule of contributions - retiree health benefit plan, , which supplements the basic financial statements, is to apply certain limited procedures in accordance with generally accepted auditing standards. However, the RSI will not be audited and, because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance, we will not express an opinion or provide any assurance on the RSI.

We have not been engaged to report on the *introductory section* and *statistical section*, which accompany the financial statements but are not RSI. Our responsibility with respect to this other information in documents containing the audited financial statements and auditor's report does not extend beyond the financial information identified in the report. We have no responsibility for determining whether this other information is properly stated. This other information will not be audited and we will not express an opinion or provide any assurance on it.

As part of the audit, we will assist with the preparation of financial statements, related notes, GASB 68 net pension and related deferred outflows/inflows of resources calculation, training on implementation of GASB 87 and reports to the State Controller. However, this assistance does not constitute an audit under *Government Auditing Standards* and is considered nonaudit services. Management is responsible for overseeing and accepting responsibility for these services.

#### Planned Scope, Timing of the Audit, Significant Risks, and Other

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested.

Our audit will include obtaining an understanding of the District and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Material misstatements may result from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity. We will generally communicate our significant findings at the conclusion of the audit. However, some matters could be communicated sooner, particularly if significant difficulties are encountered during the audit where assistance is needed to overcome the difficulties or if the difficulties may lead to a modified opinion. We will also communicate any internal control related matters that are required to be communicated under professional standards.

We have identified the following significant risk(s) of material misstatement as part of our audit planning:

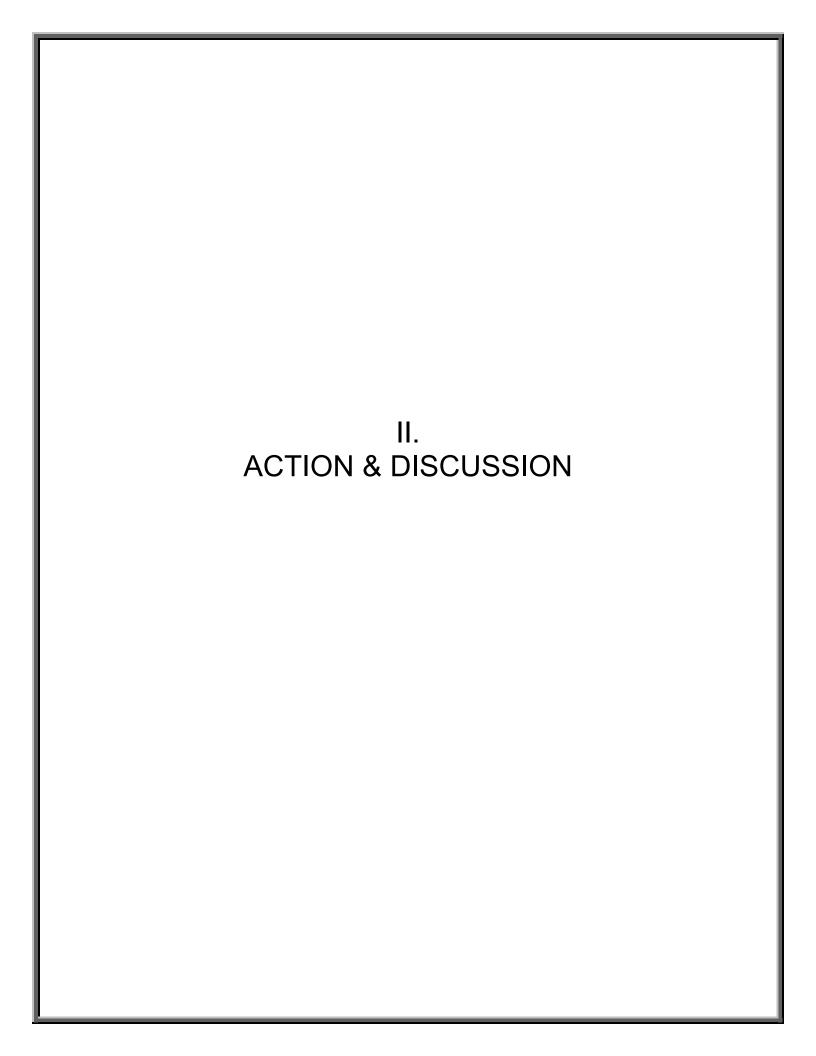

- 1. Management Override of Controls
- 2. Billing process has a large volume of transactions.
- 3. Improper revenue recognition due to fraud.
- 4. Implementation of GASB 87, Leases.

We expect to begin our final audit fieldwork on approximately September 14, 2022 and issue our report approximately in December 2022. Richard A. Teaman is the engagement partner and is responsible for supervising the engagement and signing the report or authorizing another individual to sign it.

This information is intended solely for the use of the Board of Directors and management of the District and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Jeanan Raminez & Smith, I me.

#### **NOTICE OF VACANCY**

## THE YUIMA MUNICIPAL WATER DISTRICT Board of Directors, Division 1

NOTICE IS HEREBY GIVEN that a vacancy exists in the office of Division 1 of the Board of Directors of the Yuima Municipal Water District.

Please be advised that the Board of Directors will consider the appointment of a new director to fill the vacancy at a regular meeting of the board scheduled for 2:00 p.m. on Monday January 23, 2023, in the District Board room located at 34928 Valley Center Road, Pauma Valley, California.

Persons interested in being appointed must submit a letter of interest, along with their experience and qualifications, to the Yuima Municipal Water District, P.O. BOX 177, Pauma Valley, California, Attention: Amy Reeh, General Manager, no later than 12:00 p.m. on January 16, 2023.

All applicants must be registered voters residing within the boundaries of Division 1 of the Yuima Municipal Water District. Persons wanting to verify residency within Division 1 may contact Ms. Reeh at (760) 742-3704.

In accordance with Government Code section 1780(d)(1), this notice shall be posted in at least three conspicuous places within the Yuima Municipal Water District.

DATED: December 12, 2022	
By:	
Amy Reeh, <i>General Manager</i>

#### RESOLUTION OF THE BOARD OF DIRECTORS OF YUIMA MUNICIPAL WATER DISTRICT AUTHORIZING INVESTMENT OF MONEYS IN THE LOCAL AGENCY INVESTMENT FUND AND RESCINDING RESOLUTION NO. 1758-17

WHEREAS, Pursuant to Chapter 730 of the statutes of 1976 Section 16429.1 was added to the California Government Code to create a Local Agency Investment Fund in the State Treasury for the deposit of money of a local agency for purposes of investment by the State Treasurer; and

WHEREAS, the Board of Directors of Yuima Municipal Water District does hereby find that the deposit and withdrawal of money in the Local Agency Investment Fund in accordance with the provisions of Section 16429.1 of the Government Code for the purpose of investment as stated therein is in the best interest of the District.

WHEREAS, from time to time the board of directors or staff members change resulting in a change in the authorized signers.

NOW THEREFORE BE IT RESOLVED, that the Board of Directors does hereby authorize the deposit and withdrawal of Yuima Municipal Water District monies in the Local Agency Investment Fund in the State Treasury in accordance with the provisions of Section 16429.1 of the Government Code for the purpose of investment as stated therein, and verification by the State Treasury in accordance with the provisions of Section 16429.1 of the Government Code for the purpose of investment as stated therein, and verification by the State Treasurer's Office of all banking information provided in that regard.

BE IT FURTHER RESOLVED, the following persons are authorized to order the deposit or withdrawal of monies in the Local Agency Investment Fund to or from Yuima Municipal Water District accounts:

Roland Simpson, President	
Don Broomell, Secretary/Treasurer	
Amy Reeh, General Manager	
Lynette Brewer, Finance & Admin.	
Services Manager	

RESOLVED FURTHER, that the authority hereby conferred shall remain in force until revocation thereof by sealed notification to the State Treasurer's office of such action by the Board of Directors of the District is received by the State Treasurer's office where such account is maintained.

The undersigned, Secretary of Yuima Municipal Water District, hereby certifies that the foregoing Resolution was adopted by the Board of Directors of said District at a special meeting held December 12, 2022, and that Resolution No. 1758-17 is hereby rescinded. That the signatures appearing on the Resolution are those of persons now duly authorized to sign on behalf of said District in accordance with said Resolution. # RESOLUTION OF THE BOARD OF DIRECTORS OF YUIMA MUNICIPAL WATER DISTRICT AMENDING EMPLOYEE HANDBOOK

Section 4. (E) Health Insurance

WHEREAS, by Ordinance and Resolutions adopted by this Board, an Employee Manual for District Employees was adopted October 21, 1992 and amended periodically to reflect revisions as adopted by the Board of Directors.

WHEREAS, the Manual requires periodic revisions from time to time and in order to reflect actions of the Board and current law; and

WHEREAS, this Board further deems it in the best interest of the District and its Employees to adopt amendments as set forth in Section 4 (E) Health Insurance.

NOW THEREFORE BE IT RESOLVED, by the Board of Directors of Yuima Municipal Water District that the Employee Manual be revised and amended as set forth herein.

PASSED AND ADOPTED at a special meeting of the Board of Directors of YUIMA MUNICIPAL WATER DISTRICT held December 12, 2022 by the following vote:

AYES: NOES: ABSENT: ABSTAIN:	
	Roland Simpson, President
ATTEST:	
Don Broomell, Secretary / Treasurer	_

A \ / E O

The District currently provides, a medical insurance plan for all Full-Time employees and their eligible dependents beginning the first of the month following thirty (30) days of employment. The District's contribution for medical insurance is capped at the ACWA/JPIA CalCare HMO level. You are eligible to participate in the group health insurance program available through the District Group Plan in accordance with the terms and conditions of the plan. If you do not apply for the coverage when first eligible, evidence of insurability at your expense may be required before being covered. The District offers a choice of health plans as available under the ACWA/JPIA Health Plans. Employees may choose annually, during the open enrollment period, between a PPO, ABHP or an HMO plan that is offered in your area. The employee portion of the premiums will be deducted each pay period of each month effective January 1, 2016.

For employees that have dual health coverage and meet all the requirements, the District offers a Voluntary Health Coverage Opt-out incentive payment equal to 30% of the CalCare HMO plus 1 premium under the ACWA/JPIA plan. The opt-out incentive payment is adjusted on January 1<sup>st</sup> of each year. The 2021incentive is \$578.28 per month.

#### F. RETIREES' HEALTH BENEFITS PLAN<sup>1</sup>

The District currently provides a Retirees' Health Benefits Plan for management employees, namely its General Manager, Finance & Administrative Services Manager, formally Finance Director and Operations Manager, formally Field Superintendent, Director of Operations & Maintenance & Engineering. Refer to plan for details. The defined benefit plan was closed in 2011 and replaced with a defined contribution plan. Effective July 1, 2016 the defined contribution plan was suspended. There are currently no management employees eligible for the defined contribution plan nor are there any management employees participating in the plan at this time.

#### A. DENTAL INSURANCE

The District currently provides a dental insurance plan for all Full-Time employees and their eligible dependents on the first of the month following the completion of thirty (30) days employment with the District. Currently the District provides coverage, at no cost to you for you and your dependents.

#### B. VISION INSURANCE

The District currently provides a vision service plan for all Full-Time employees and their eligible dependents on the first of the month following the completion of thirty (30) days employment with the District. Currently the District provides this coverage to you for you and your dependents.

### C. LIFE INSURANCE/ACCIDENTAL DEATH AND DISMEMBERMENT

Currently, coverage equal to two year's annual salary exclusive of over-time rounded to the nearest thousand dollars not to exceed \$200,000 is provided for all regular employees to the age of 70. This coverage is effective on the first of the month following thirty (30) days from the date of

#### RESOLUTION OF THE BOARD OF DIRECTORS OF THE YUIMA MUNICIPAL WATER DISTRICT AMENDING RULES AND REGULATIONS GOVERNING WATER SERVICE

(Schedule of Rates, Rentals, Fees, Deposits & Charges) (Section 14.7, San Diego County Water Authority Capacity Charges)

WHEREAS, Yuima Municipal Water District is a California Municipal Water District created by the Municipal Water District Act of 1911 (Water Code Section 71000 et seq.); and

WHEREAS, the San Diego County Water Authority has increased its Capacity Charges for new meters effective January 1, 2023; and

WHEREAS, Yuima collects these fees on behalf of the San Diego County Water Authority and then forwards the collected monies to the Authority; and

WHEREAS, the Board of Directors considered the Proposed revisions to the Schedule of Rates and Charges .

NOW, THEREFORE, BE IT HEREBY RESOLVED, DETERMINED AND ORDERED by the Board of Directors of Yuima Municipal Water District as follows:

- 1. The matters set forth in this Resolution are true and correct statements.
- 2. The Schedule of Water and Water Related Rates set forth in Exhibit "A" is hereby adopted as an Amendment to the District's Rules and Regulations governing water service, and the General Manager of Yuima Municipal Water District is hereby authorized and directed to collect the charges as necessary.
- 3. This Resolution shall take effect for all fees collected on behalf of the San Diego County Water Authority after January 1, 2023.

PASSED AND ADOPTED at a special meeting of the Board of Directors of YUIMA MUNICIPAL WATER DISTRICT held Monday, December 12, 2022, by the following vote:

AYES:

NOES: ABSENT: ABSTAIN:		
ATTEST:	Roland Simpson, President	
Don Broomell, Secretary/Treasurer		

of such study will be to determine what additions or modifications to the District's facilities will be required as a result of the new demand, and at what expense. The study shall be conducted at the applicant's expense, and the applicant shall deposit \$1,500 with the District at the time of application to be applied to the cost of the study.

The following acreage ranges shall determine the maximum size meter allowed on a parcel of land:

Parcel Size	Maximum Meter Size
Lot to 3 acres	Under 1"
3+ to 8 acres	1"
8+ to 16 acres	1 1/2"
16+ to 20 acres	2"
20+ to 60 acres	3"
60+ to 80 acres	4"
80+ to 105 acres	5"
105+ to 216 acres	6"
216+ to 450 acres	8"

#### SAN DIEGO COUNTY WATER AUTHORITY - CAPACITY CHARGES:

Meter Size	ME Factor	System Capacity Charge	Water Treatment Capacity
(inches)		(effective 1/1/2022)	Charge (effective 1/1/2022)
Less Than 1"	1	\$ <del>5,328</del> <u>5,700</u>	\$ <del>149</del> <u>159</u>
1"	1.6	<del>8,525</del> 9,120	<del>238</del> 254
1 ½"	3	<del>15,984</del> <u>17,100</u>	447 <u>477</u>
2"	5.2	<del>27,706</del> 29,640	<del>775</del> 827
3"	9.6	<del>51,149</del> <u>54,720</u>	<del>1,430</del> 1,526
4"	16.4	<del>87,379</del> 93,480	<del>2,443</del> 2,608
6"	30	<del>159,840</del> 171,000	<del>4,470</del> 4,770
8"	52	<del>277,056</del> <u>296,400</u>	<del>7,748</del> <u>8,268</u>
10"	78	<del>415,584</del> 444,600	<del>11,622</del> 12,402
12"	132	<del>703,296</del> 752,400	<del>19,668</del> <u>20,988</u>

The San Diego County Water Authority Capacity Charges are a direct pass through. Charges are collected at the time of meter application and remitted to the San Diego County Water Authority. Effective 1/1/20202023

#### 15.3.1 SDCWA & MET FIXED CHARGES

	CY 2022
Capacity Allocation / Reservation Charge (MET Fixed Charge)	\$173,833
Customer Service Charge (CWA Fixed Charge)	\$338,626
Storage Charge (CWA Fixed Charge)	\$216,542
Supply Reliability Charge (CWA Fixed Charge)	\$115,256
Readiness-to-Serve Charge (MET Fixed Charge)	\$182,501

The SDCWA & MET Fixed Charges are levied as *direct pass through* based on the same methodology as SDCWA & MET uses to allocate the charges to the District. These charges or credits will show as a separate line item on the water bill based on each customer's rolling average.

ORDINANCE NO.	

# ORDINANCE OF THE BOARD OF DIRECTORS OF THE YUIMA MUNICIPAL WATER DISTRICT INSTITUTING A CROSS CONNECTION CONTROL PROGRAM TO PROTECT THE PUBLIC WATER SYSTEM AND RESCINDING ORDINANCE NO. 131-19

The Board of Directors of the Yuima Municipal Water District does ordain as follows:

Section 1. <u>Purpose/Responsibility/Authority.</u> The purpose of this Ordinance is to reduce the hazard of contamination of the public water system against contamination by identifying actual or potential cross-connections and taking action to protect the system from these hazards. This is accomplished by installing backflow prevention assemblies where hazards are identified, eliminating existing connections between drinking water systems, and other sources of water that are not approved as safe and potable for human consumption, eliminating cross-connections between drinking water systems and sources of contamination, and preventing the making of cross-connections in the future.

This Ordinance is adopted pursuant to the California Code of Regulations, Title 17, §7584, §7583-7586 and §7601-7605.

Section 2. <u>Prohibition</u>. It is unlawful for any person, firm, or corporation at any time to make or maintain, or cause to be maintained, a temporary or permanent cross-connection between water supply appurtenances being served by the District and any other source of water supply which, by reason of their construction, may cause or allow backflow of water or other substances into the water supply system of the District or of any customer of the District.

#### Section 3. Definitions.

A. <u>Air-Gap Separation</u>: The term "air-gap separation" means a physical break between a supply pipe and a receiving VESSEL. The air-gap shall be at least double the diameter of the supply pipe, measured vertically, above the top rim of the vessel, and in no case less than one inch. Wherever used in this Ordinance, the term "air-gap separation" shall mean an installation inspected and approved according to the requirements of this ordinance.

- B. <u>Approved Backflow Prevention Assembly</u>: The term "approved backflow prevention assembly" shall mean an assembly which has passed laboratory and field evaluation tests performed by a recognized testing organization which has demonstrated their competency to perform such tests to the State Water Resources Control Board.
- C. <u>Approved Water Supply:</u> The term "approved water supply" means any water supply whose potability is regulated by a State or local health agency.
- D. <u>Auxiliary Supply:</u> The term "auxiliary supply" means any water supply on or available to the premises other than the approved water supply.
- E. <u>AWWA Standard</u>: The term "AWWA Standard" means an official standard developed and approved by the American Water Works Association (AWWA).
- F. <u>Backflow:</u> The term "backflow" shall mean a flow condition, caused by a differential in pressure, that causes the flow of water or other liquids, gases, mixtures or substances into the distributing pipes of a potable supply of water from any source or sources other than an approved water supply source. Back siphonage is one cause of backflow. Back pressure is the other cause.
- G. <u>Contamination:</u> The term "contamination" means a degradation of the quality of the potable water by any foreign substance which creates a hazard to the public health, or which may impair the usefulness or quality of the water.
- H. <u>Cross-Connection:</u> The term "cross-connection" as used in this Ordinance means any unprotected actual or potential connection between a potable water system used to supply water for drinking purposes and any source or system containing unapproved water or a substance that is not or cannot be approved as safe, wholesome, and potable. By-pass arrangements, jumper connections, removable sections, swivel or changeover assemblies, or other assemblies through which backflow could occur, shall be considered to be cross-connections.
- I. <u>Days:</u> The term days shall mean calendar days
- J. <u>District:</u> The term "District" means the Yuima Municipal Water District, San Diego County, California.
- K. <u>Double Check Valve Assembly:</u> The term "double check valve assembly" means an assembly of two internally loaded, independently acting check valves, including resilient seated shut-off valves on each end of the assembly and test cocks for testing the water tightness of each check valve.
- L. <u>Health Agency:</u> The term "health agency" means the State Water Resources Control Board, or the local health agency with respect to a small water system.

- M. <u>Local Health Agency:</u> The term "local health agency" means the San Diego County Department of Environmental Health.
- N. <u>Manager:</u> The term "Manager" means the General Manager or Assistant General Manager of the District or their designated representative.
- O. <u>Person:</u> The term "person" means an individual, corporation, company, association, partnership, municipality, public utility, or other public body or institution.
- P. <u>Premises:</u> The term "premises" means any and all areas on a water user's property which are served or have the potential to be served by the public water system.
- Q. <u>Recycled Water:</u> The term "Recycled water" means a wastewater which, as a result of treatment, is suitable for uses other than potable use.
- R. Reduced Pressure Principle Backflow Prevention Assembly: The term "reduced pressure principle backflow prevention assembly" means an assembly incorporating two internally loaded, independently operating check valves and an automatically operating differential relief valve located between the two checks, including resilient seated shutoff valves on each end of the assembly, and equipped with necessary test cocks for testing the assembly.
- S. <u>Service Connection:</u> The term "service connection" refers to the point of connection of a user's piping to the water supplier's facilities.
- T. <u>Water Supplier:</u> The term "water supplier" means the person who owns or operates the approved water supply system.
- U. <u>Water User:</u> The term "water user" means any person obtaining water from the District's water supply system.

#### Section 4. <u>Title 17, §7584 Regulation Requirements</u>

Section 7584 of the California Code of Regulations requires that each public water system have a cross connection control program that includes the following elements:

- A. The adoption of operating rules or ordinances to implement the cross-connection program.
- B. The conducting of surveys to identify water user premises where cross connections are likely to occur.

- C. The provisions of backflow protection by the water user at the user's connection or within the user's premises or both.
- D. The provisions of at least one person trained in cross-connection control to carry out the cross-connection control program.
- E. The establishment of a procedure of system for testing backflow preventers.
- F. The maintenance of records of locations, tests, and repairs of backflow preventers.

#### Section 5. Cross Connection Protection Requirements.

#### A. <u>General Provisions.</u>

- 1. Unprotected cross-connections with the public water supply are prohibited.
- 2. Whenever backflow protection is determined by the District to be necessary, the water user shall install an approved backflow prevention assembly at his/her expense. User compliance is an express condition of continued water service or establishment of a new water service connection.
- 3. Wherever backflow protection has been found in the judgment of the Manager to be necessary on a water supply line entering a water user's premises, then any and all water supply lines from the District's mains entering such premises, buildings, or structures shall be protected by an approved backflow prevention assembly. The type of assembly to be installed will be in accordance with the requirements of this ordinance.

#### B. Where Protection is Required.

- Each service connection from the District water system for supplying water to premises having an auxiliary water supply shall be protected against backflow of water from the premises into the public water system.
- 2. Each service connection from the District water system for supplying water to any premises on which any substance is handled in such fashion as may allow its entry into the water system shall be protected against backflow of the water from the premises into the public system. This shall include the handling of process waters and waters originating from the District water system which have been subjected to deterioration in sanitary quality.

3. Backflow prevention assemblies shall be installed on the service connection to any premises having (a) internal cross-connections that cannot be permanently corrected and controlled to the satisfaction of the state or local health department and the District, or (b) intricate plumbing and piping arrangements or where entry to all portions of the premises is not readily accessible for inspection purposes, making it impracticable or impossible to ascertain whether or not cross-connections exist.

#### C. <u>Type of Protection Required.</u>

1. The type of protection that shall be provided to prevent backflow into the approved water supply shall be in accordance with the degree of hazard that exists on the consumer's premises. The type of protective assembly that may be required (listing in an increasing level of protection) includes: Double Check Valve Assembly (DC), and Reduced Pressure Principle Backflow Prevention Assembly (RP or RPDA for fire meters), and an Air-Gap Separation (AG). The minimum types of backflow protection required to protect the public water supply, at the water user's connection to premises are shown in Table 1 from Title 17, §7604. Situations which are not covered in Table 1 shall be evaluated on a case-by-case basis and the appropriate protection device shall be determined by the water supplier.

Table 1

Mi	inimum Type of Backflow	
De	egree of Hazard	Prevention
(a	) Sewage and Hazardous Substances	
	(1) Premises where there are waste water pumping and/or treatment plants and there is no interconnection with the potable water system.  This does not include a single-family residence that has a sewage lift pump. A RP may be provided in lieu of an AG if approved by the health agency and water supplier.	AG
	(2) Premises where hazardous substances are handled in any manner in which the substances may enter the potable water system. This does not include a single-family residence that has a sewage lift pump. A RP may be provided in lieu of an AG	AG

	if approved by the health agency and water supplier.	
	(3) Premises where there are irrigation systems into which fertilizers, herbicides, or pesticides are, or can be, injected.	RP
(h)	Auxiliany Water Supplies	
(b)	Auxiliary Water Supplies  (1) Promines where there is an unapproved auxiliary water.	AG
	(1) Premises where there is an unapproved auxiliary water supply which is interconnected with the public water system. A RP or DC may be provided in lieu of an AG if approved by the health agency and water supplier.	AG
	(2) Premises where there is an unapproved auxiliary water supply and there are no interconnections with the public water system. A DC may be provided in lieu of a RP if approved by the health agency and water supplier.	RP
(c)	Recycled Water	
	(1) Premises where the public water system is used to supplement the recycled water supply.	AG
	(2) Premises where recycled water is used, other than as allowed in paragraph (3), and there is no interconnection with the potable water system.	RP
	(3) Residences using recycled water for landscape irrigation as part of an approved dual plumbed use area established pursuant to sections 60313 through 60316 unless the recycled water supplier obtains approval of the local public water supplier, or the State Water Resources Control Board if the water supplier is also the supplier of the recycled water, to utilize an alternative backflow protection plan that includes an annual inspection and annual shutdown test of the recycled water and potable water systems pursuant to subsection 60316(a).	DC
(d)	Fire Protection Systems	
	(1) Premises where the fire system is directly supplied from the public water system and there is an unapproved auxiliary water supply on or to the premises (not interconnected).	DC

(2) Premises where the fire system is supplied from the public water system and interconnected with an unapproved auxiliary water supply. A RP may be provided in lieu of an AG if approved by the health agency and water supplier.	AG
(3) Premises where the fire system is supplied from the public water system and where either elevated storage tanks or fire pumps which take suction from private reservoirs or tanks are used.	DC
(4) Buildings where the fire system is supplied from the public water system and where recycled water is used in a separate piping system within the same building.	DC
(e) Dockside Watering Points and Marine Facilities	
(1) Pier hydrants for supplying water to vessels for any purpose.	RP
(2) Premises where there are marine facilities.	RP
(f) Premises where entry is restricted so that inspections for cross- connections cannot be made with sufficient frequency or at sufficiently short notice to assure that they do not exist.	RP
(g) Premises where there is a repeated history of cross- connections being established or re-established.	RP

#### Section 6. Backflow Prevention Assemblies.

#### A. Approved Backflow Prevention Assemblies.

- Only backflow prevention assemblies which have been approved by the District shall be acceptable for installation by a water user connected to the District's potable water system.
- 2. The District will provide, upon request, to any affected customer, a list of AWWA approved backflow prevention assemblies.

#### B. Backflow Prevention Assembly Installation.

1. Backflow prevention assemblies shall be installed in a manner prescribed in Section 7603, Title 17 of the California Code of Regulations. Location of the assemblies should be as close as practical to the user's connection. The District shall have the final authority in determining the required location of a backflow prevention assembly.

- a. <u>Air-Gap Separation (AG)</u>. The air-gap separation shall be located on the user's side of and as close to the service connection as is practical. All piping from the service connection to the receiving tank shall be above grade and be entirely visible. No water use shall be provided from any point between the service connection and the air-gap separation. The water inlet piping shall terminate a distance of at least two (2) pipe diameters of the supply inlet, but in no case less than one (1) inch above the overflow rim of the receiving tank.
- b. Reduced Pressure Principle Backflow Prevention Assembly (RP). The approved reduced pressure principle backflow prevention assembly shall be installed on the user's side of and as close to the service connection as is practical. The assembly shall be installed so that it is readily accessible for maintenance and testing. Water supplied from any point between the service connection and the RP assembly shall be protected in a manner approved by the District.
- c. Double Check Valve Assembly (DC). The approved double check valve assembly shall be located as close as practical to the user's connection and shall be installed above grade, if possible, and in a manner where it is readily accessible for testing and maintenance. If a double check valve assembly is put below grade, it must be installed in a vault such that there is a minimum of six inches (6") between the bottom of the vault and the bottom of the assembly, so that the top of the assembly is no more than a maximum of eight inches (8") below grade, so there is a minimum of twentyfour inches (24") of clearance between the side of the assembly with the test cocks and the side of the vault, and so there is a minimum of twelve inches (12") clearance between the other side of the assembly and the side of the vault. Special consideration must be given to double check valve assemblies of the "Y" type. These assemblies must be installed on their "side" with the test cocks in a vertical position so that either check valve may be removed for service without removing the assembly. Vaults which do not have an integrated bottom must be placed on a three-inch (3") layer of gravel.

#### C. Backflow Prevention Assembly Testing and Maintenance.

 It shall be the responsibility of the water user to install all required assemblies in accordance with the AWWA approved specifications. It is also the responsibility of the user to have the initial certification, and certified inspections thereafter once per year. These inspections and tests shall be at the expense of the water user and shall be performed by an approved certified tester. It shall be the duty of the District to see that these timely tests are made. These devices shall be repaired, overhauled, or replaced at the expense of the water user whenever said devices are found to be defective. Records of such tests, repairs, and overhaul shall be submitted to the District on standard maintenance form (Exhibit A). Any approved backflow prevention assembly shall be the property of the water user and District shall have no responsibility or liability for the cost of operation, maintenance, repair or replacement thereof.

- 2. The District will supply affected water users with a list of persons acceptable to the District to test backflow prevention assemblies. The District will notify affected customers by mail when annual testing of an assembly is needed and also supply users with the necessary forms which must be filled out each time an assembly is tested or repaired. The backflow prevention assembly tester shall provide both the water user and the District with a copy of the test results.
  - a. Annual Certification Notices will be mailed to the customer 90 days before the expiration of the current certification.
  - b. If annual certification has not been received within 60 days of initial notification, a second notice will be mailed.
  - c. Second notice will advise the customer that if certification is not received before expiration of current certification possible interruption of water service may occur.
  - d. If Customer fails to obtain a current and valid certification by the required deadline, the District will issue a "Water Service Termination" notice. Notice will allow a final 15 days to perform the certification or be subject to termination. Customer will be responsible for all fees associated with issuing Termination Notice, and the locking off and / or restoration or water service resulting from failure to comply with requirements.
  - e. District approved Backflow Prevention Assembly tester list will be established in the following manner.
    - i. District will research available Backflow Prevention Assembly testers within San Diego and Riverside Counties.
    - ii. District will request the following documentation from testers.
      - a. Individual must possess an <u>unexpired</u> "American Water Works Association" <u>or an "American Backflow Prevention</u> <u>Association"</u> Backflow Protection Assembly Tester certification.
      - b. Individual must provide three references for whom backflow testing services have been provided.
      - b.c. Must provide a current calibration certificate for the test gauge used in testing.

- iii. The District will create a list of these approved testers, including their contact information, to the water user.
- iv. District will track the expiration dates of the certified testers and request proof of re-certification within a reasonable time prior to the expiration of the current certification.
- f. The District shall adhere to all requirements in Section 6, C of this Ordinance relative to any backflow protection assembly devices owned by the District and installed on District facilities.

#### D. <u>Backflow Prevention Assembly Removal.</u>

- 1. Approval must be obtained from the District before a backflow prevention assembly is removed, relocated or replaced.
  - a. Removal. The use of an assembly may be discontinued and the assembly removed from service only upon determination by the District that a hazard no longer exists or is not likely to be created in the future;
  - Relocation. An assembly may be relocated following confirmation by the District that the relocation will continue to provide the required protection and satisfy installation requirements. A retest will be required following the relocation of the assembly;
  - c. Repair. An assembly may be removed for repair, provided the water use is either discontinued until repair is completed and the assembly is returned to service, or the service connection is equipped with other backflow protection approved by the District. A retest will be required following the repair of the assembly; and
  - d. Replacement. An assembly may be removed and replaced provide the water use is discontinued until the replacement assembly is installed. All replacement assemblies must be in compliance with this Ordinance, approved by the District, and commensurate with the degree of hazard involved.

#### E. <u>Upgrading of Existing Backflow Prevention Devices</u>.

The Manager may require the water user to upgrade an existing backflow prevention assembly which, in the opinion of the Manager, is a type that does not provide adequate protection for the degree of potential hazard which exists on the customer's premises. The upgraded shall be at customer's expense and may include complete replacement and relocation of the backflow prevention assembly, and or the installation of additional devices.

#### Section 7. Administrative Procedures.

#### A. Water System Survey

- 1. The District shall review all requests for new services to determine if backflow protection is needed. Plans and specifications must be submitted to the District upon request for review of possible cross-connection hazards as a condition of service for new service connections. If it is determined that a backflow prevention assembly is necessary to protect the public water system, the required assembly must be installed before service will be granted.
- 2. The District may require an on-premise inspection to evaluate cross-connection hazards. The District will notify the affected water user for the need of inspection. If, in the judgment of the Manager, an approved backflow prevention device is required at any metered water service connection for the safety of the District system, the Manager shall give notice in writing to the affected water user to install an approved backflow prevention device at each of such water user's metered water service connections. Within the time prescribed by the Manager, the water user shall install such approved device or devices at the water user's own expense; and failure, refusal or inability on the part of the water user to install said device or devices shall immediately constitute a ground for discontinuing water service to such metered water service connections until such device or devices have been properly installed.
- 3. The District may, at its discretion, require a reinspection for cross-connection hazards of any premise to which it serves water. The District will notify the affected water user for the need of inspection. Any water user who cannot or will not allow an on-premise inspection of his/her piping system shall be required to install the backflow prevention assembly the District considers necessary.
- 4. All water user systems shall be open for inspection at all reasonable times to authorized representatives of the District to enable the District to ascertain the existence of cross-connection or other structural or sanitary hazards, including violations of this Ordinance. When such a condition becomes known, the Manager shall deny or immediately discontinue service to the premises by providing for a physical break in the service line until the customer has corrected the condition(s) in conformance with State laws and District ordinances relating to plumbing and water supplies, and with regulations adopted pursuant thereto.

#### B. Customer Notification - Assembly Installation

- 1. The District will notify the water user of the survey findings, listing the corrective actions to be taken if any are required. A period of thirty (30) days will be given to complete all corrective actions required, including installation of backflow prevention assemblies.
- 2. A second notice will be sent to each water user who does not take the required corrective actions prescribed in the first notice within the thirty-day period allowed. The second notice will give the water user fifteen (15) days to take the corrective action. The notice shall state that if no action is taken within the fifteen (15) day period, the District will terminate water service to the affected water user until the required corrective actions are taken.
- 3. The District may provide additional notification as it deems necessary.

#### C. <u>Customer Notification - Testing and Maintenance</u>

- 1. The District will notify each affected water user when it is time for the backflow prevention assembly installed on their service connection to be tested. The notice shall contain the following information:
  - a. The service location and account number (or other appropriate identification number).
  - b. A statement that the water user is responsible for providing for the routine maintenance, repair, and testing.
  - c. That the testing requirement is made under the authority of the California Water Code section 35423, California Code of Regulations, Title 17, and of this Ordinance.
  - d. A deadline of 90 days by which the assembly must be tested and repaired if necessary.
  - e. That if the water user fails to test or repair an assembly within the time period required by the notice, the District may terminate water service to the affected water user.
  - f. The District contact person, including address and phone number.
  - g. A report form for the water user to use to submit the test results.
  - h. A list of certified or approved assembly testers.
- 2. A second notice shall be sent to each water user which does not have his/her backflow prevention assembly tested as prescribed in the first notice within the 30-day period allowed. The second notice will give the water user a fifteen (15) day period to have his/her backflow prevention assembly tested. This notice shall include the following information.
  - a. A reiteration of the cross-connection hazards found on the user's, and the required corrective actions.

- b. A second deadline of fifteen (15) days for either correcting the problem or scheduling an office hearing to explain why the requirements should be postponed or eliminated.
- c. A statement of the District's intention to terminate water service to the user's premises should the user fail to comply with the new deadline.
- d. Information regarding the extra charges the user will have to pay to reestablish water service after it is terminated.
- 3. The District may provide additional notification as it deems necessary. If no action is taken within the prescribed time period, the District may terminate water service to the affected water user until the subject assembly is tested.

#### D. Water Service Termination

When the District encounters water uses that represent a clear and immediate hazard to the potable water supply that cannot be immediately abated, or a customer is not in compliance with the Ordinance and there is a basis for termination, the District shall institute the procedure for discontinuing the District water service.

- 1. Basis for Termination: Service of water to any premises shall not be placed in service by the District unless the District system is protected, as required by State laws and regulations and by this Ordinance. Service of water to any premises shall be immediately discontinued by the District if a backflow prevention assembly required by this Ordinance is not installed, tested, and maintained, or if it is found that a backflow prevention assembly has been removed, bypassed, or if any unprotected cross-connection exists on the premises, or a direct or indirect connection between the public water system and a system or equipment containing contaminants, or an unprotected direct or indirect connection between the public water system and an auxiliary water system, and a situation which presents an immediate health hazard to the public water system. Service will not be restored until such conditions or defects are corrected.
- 2. Termination Procedure: The District shall make a reasonable effort to advise the water user of intent to terminate water service; including the posting of a 48-Hour Lock Off Notice on the premises. After 48 hours the District shall terminate water service and lock off the water meter. Service will not be restored until correction of the violations has been approved by the District.

#### E. Maintenance of Records

The District shall maintain such records so as to be able to effectively manage a cross-connection control program. The records shall include the following information for each backflow prevention assembly in the water system:

1. Identification information:

Name

Address

Account number (or other identification number)

Responsible person

- 2. The date of the most recent cross-connection survey performed at this location
- 3. Type of hazard(s)
- 4. Location of assembly
- 5. Type of assembly; including make, model, size, serial number, recommended frequency of testing
- 6. Record of testing and repairs
- 7. Comments, notes on any problems with the assembly.

Records shall also be kept on surveys made of premises where no backflow protection was required.

All records shall be maintained for a minimum of three (3) years.

#### Section 8. Charges.

- 1. The Board of Directors shall establish, and may from time to time alter, a schedule of fees and charges to offset the District's costs incurred under this Ordinance. It shall be the policy of the District that the water user whose premises cause the need to protect the District water supply shall be responsible to cover the cost of that protection, including the District's costs. Fees and charges may include, but are not limited to:
  - a. The cost to initially determine the need for protection and the type of backflow assembly required.
  - b. The cost to annually review compliance with this Ordinance, including any costs of inspection, testing, and certification.
  - c. The cost to disconnect and/or reconnect a service because of noncompliance with this Ordinance.

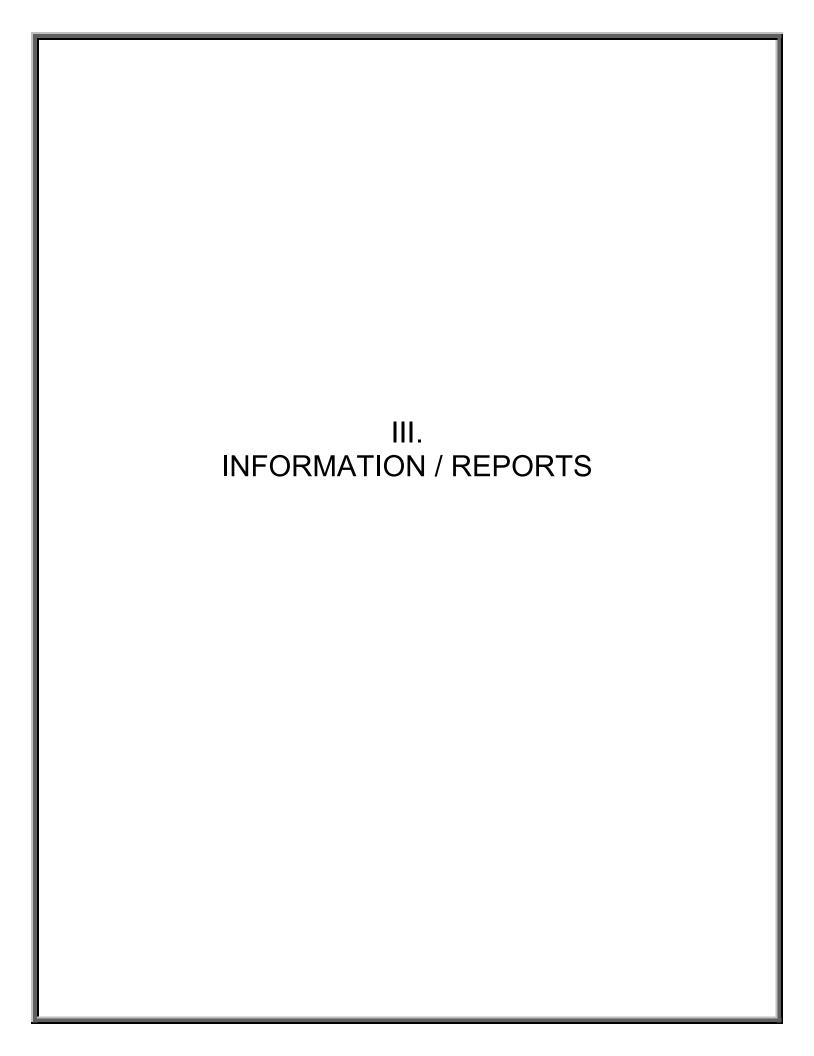

- d. Any costs incurred by District in connection with the operation, maintenance and repair or replacement of a backflow assembly.
- Section 9. <u>Severability.</u> If any section, subsection, subdivision, paragraph, sentence, clause, phrase of this Ordinance, or any part thereof, is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this Ordinance or any part thereof. The Board hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause, or phrase thereof, irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses, or phrases be declared invalid.
- Section 10. <u>Effective Date.</u> The Ordinance shall take effect and be in force immediately upon its adoption.

NOW, THEREFORE, BE IT, ORDAINED, APPROVED AND ORDERED by the Board of Directors of the Yuima Municipal Water District this 24<sup>th</sup> day of June, 2019, by the following roll-call vote:
