**2-A.** Proposed Resolution Adopting Increases in Water Rates and Charges and Amending Rules and Regulations Governing Water Service (Schedule of Rates, Rentals, Fees, Deposits and Charges Section § 2.27; 16.1; 16.5 & 18.3.6).

*Background:* The rates and charges were reviewed at board workshops held on June 5th and June 26th, 2023. There is between an 8.75% and 11.5% increase to the Water Commodity Rate. Proposed Resolution will (1) adopt the proposed schedule of Water Rates and Charges and amend the District's Rules and Regulations Governing Water Service (2) allow annual adjustments of Yuima's rates between fiscal years 2023/24 and 2026/27 to pass through wholesale water cost increases (imported water) imposed on the District by the District's wholesale water suppliers (SDCWA and Metropolitan WD) between fiscal years 2023/24 and 2026/27; (3) allow annual adjustments of Yuima's rates for inflation between 2023/24 and 2026/27 up to the San Diego County Consumer Price Index for All Urban Consumers("CPI-U") (4) authorize staff to make mandatory demand reduction rate adjustments in an amount equivalent to the loss of revenue caused by mandatory state or regional water consumption and use restrictions

This amount we are actually able to collect is a much smaller sum due to the property demographic in the District's service area. The public notice requirement under Government Code Section §7919 has been met.

*Recommendation*: That, should the Board agree, they adopt the Resolution as proposed.

# III. Action Discussion

### 1. Budget Workshop: Review the Preliminary 2023-24 Operating Budget.

General Manager Reeh presented the Preliminary 2023-24 Operating Budget. The budget presented is a balanced budget and results in a rate increase from between 8.9% and 11.5% depending on the rate class (Domestic or PSAWR Agriculture). The bulk of the rate increase is due to the District's 10.3% increase in the San Diego County Water Authorities water commodity rate to the District for imported water. General Manager Reeh discussed the use of rate stabilization reserves to help offset the higher percentage increase and its correlation to a drawing down actual cash on hand and meeting the covenants of the District's Debt Service and the necessity to maintain the financial sustainability of the District. General Manager Reeh advised against delaying a rate increase, discussing the pros and cons of possible options suggested by the Board. The Board directed Staff to return with two options with the possible use of rate stabilization funds for the Board at the June 26, 2023 Board meeting.

## AGREEMENT FOR WATER SERVICE AND MANAGEMENT CONTRACT LAZY H MUTUAL WATER COMPANY

THIS AGREEMENT is made July 1, 2023 between YUIMA MUNICIPAL WATER DISTRICT ("YUIMA") and LAZY H MUTUAL WATER COMPANY, a California corporation ("COMPANY"), in view of the following facts:

(a) YUIMA is a member agency of San Diego County Water Authority and its territory is included within the Metropolitan Water District of Southern California. As such member agency, YUIMA is entitled to purchase water from Water Authority and has constructed a pipeline and other works for the transmission of water from the aqueduct of the Water Authority into the district, together with facilities for the transmission and delivery of water into the distribution system of COMPANY.

(b) COMPANY is a cooperative mutual corporation formed for the purpose of delivering water to its shareholders. It holds water rights in the stream system of the San Luis Rey River and the ground water basin underlying the area served by it and has constructed pipelines, drilled and operates wells for the purpose of supplying local water to the shareholders.

(c) The purpose of this Agreement is to constitute and designate YUIMA as COMPANY's agent for the operation of COMPANY's pipelines and facilities for the maximum development of local water and the delivery of such local water to COMPANY's shareholders along with YUIMA's water which may be purchased by COMPANY to augment its local supply.

# IT IS, THEREFORE, AGREED:

1. Commencing July 1, 2023, YUIMA agrees to operate and maintain COMPANY's existing water supply and distribution system, including wells, pumps, tanks, pipelines and appurtenances for the purpose of delivering such local water as may be developed through the exercise of COMPANY's rights, together with such quantities of YUIMA's water as COMPANY may purchase, to and for the benefit of COMPANY's shareholders in accordance with the provisions of COMPANY's Articles, By-Laws and Rules and Regulations.

2. COMPANY grants to YUIMA the exclusive use of all of COMPANY's properties, easements and other rights necessary or convenient for YUIMA's use in carrying out YUIMA's duties under this Agreement, together with the right to use COMPANY's system and appurtenances for the purpose of transporting and delivering to the COMPANY's shareholders YUIMA's water purchased by COMPANY.

3. YUIMA, as COMPANY's agent in the operation of COMPANY's water supply and distribution system, shall do and perform each of the following:

(a) Generally, manage and operate COMPANY's system, and in the delivery of water, provide for the scheduling of deliveries as between COMPANY's shareholders in conformity with the directions of COMPANY's Board of Directors when such scheduling is necessary.

(b) Take such steps in delivering COMPANY's local water to its shareholders as are reasonably required in order to conform to any allocation of such local water as may, from time to time, be made by COMPANY's Board of Directors.

(c) Generally, maintain in good operating condition at COMPANY's expense its water supply and distribution system. YUIMA's duty to repair shall not include major repairs requiring outside commercial shop work, replacement of pipelines or the supply of materials for such major repairs. YUIMA will promptly advise COMPANY when, in its opinion, such major repairs may be required and such recommended major repairs, shop work, replacement of pipelines, improvement, expansion, observation or testing of COMPANY system or components may thereafter be performed by COMPANY's agent or contractor provided, however, that such work shall not interfere with YUIMA's activities under this contract.

(d) YUIMA shall make monthly or quarterly billings for water used at the rates from time to time established by COMPANY as directed by COMPANY; collect in COMPANY's name such water bills; and, deposit all such collections to COMPANY's name in the bank account or accounts regularly maintained by COMPANY.

(e) YUIMA shall prepare for COMPANY, monthly, a list of all accounts payable and all charges incurred in the operation and maintenance of COMPANY's system. Such charges shall be for the account of COMPANY, and shall be paid by it.

(f) Cash receipts and cash disbursements shall be posted to the general ledger of COMPANY by YUIMA.

(g) In addition to collection of periodic water bills, YUIMA shall bill and collect on behalf of COMPANY such amounts as are, from time to time, assessed against COMPANY shareholders. YUIMA shall not be obligated however, to pursue on behalf of COMPANY any remedies which COMPANY may have for the collection of delinquent water bills, assessments, or other amounts as may be due COMPANY from its shareholders or others.

(h) YUIMA consents that its manager or other agent in supervisory charge of its obligation under this contract may, if desired by COMPANY, serve as COMPANY's assistant secretary and treasurer and perform all of the usual duties of such office.

4. YUIMA, in its activities as agent for COMPANY under this Agreement, shall furnish and provide the necessary office facilities including a meeting place for COMPANY's board of directors, including telephone, business machines, supplies, postage and shall furnish such tools, trucks and cars and personnel as might be reasonably required. COMPANY agrees to pay YUIMA for its services for the period covering July 1, 2023 to June 30, 2024 the sum of Two Thousand Nine Hundred Eighty-Six dollars and Eighty cents (\$2,986.80), per month in advance.

Such payment is designed to cover YUIMA's costs in connection with administration (including retirement and fringe benefits), necessary trucks and other cars and office facilities. Such sum shall not include parts and supplies other than miscellaneous office supplies.

Labor time, including that for welding and equipment operators, for maintenance of COMPANY's facilities shall be charged to COMPANY by YUIMA at the rate of \$76.27 per man hour for maintenance performed during YUIMA's normal working hours and at the rate of \$99.46 per man hour for all maintenance performed outside of YUIMA's normal working hours. Backhoe equipment time and welding equipment time shall be billed COMPANY by YUIMA at the rate of \$69 per hour for backhoe, \$99 per hour for utility truck/crane/welder, \$20 per hour for certified test meter, \$20 per hour for liquid chlorine trailer, \$10 per hour for tapper, pipeline locator, and \$10 per hour for all others. Recordkeeping/Secretarial services over contract hours will be billed at \$60.62 per hour during YUIMA's normal hours and \$98.47 per hour for Holiday and Overtime hours. Materials and supplies, including sales tax, freight and delivery charges; tools and equipment used in the work at prevailing rental rates for similar tools and equipment; the actual invoice costs to District of services performed by others; plus fifteen percent (15%) of the sum of all the above amounts for District's overhead and general administrative expense.

If the amounts provided for in this section are, in the opinion of YUIMA, insufficient or, in the opinion of COMPANY, excessive, either party may, on thirty days-notice to the other, propose adjustments to YUIMA's compensation. In no event shall the amount paid YUIMA under this paragraph be so reduced that YUIMA's duties hereunder result in a burden on YUIMA's general funds which is not reimbursed by COMPANY.

5. COMPANY shall furnish YUIMA upon the execution of this Agreement a schedule setting forth the rates established by COMPANY's Board of Directors for the delivery of water to its shareholders. COMPANY shall furnish YUIMA revised schedules at least fifteen (15) days in advance of the effective date of any change or modification in such rates.

COMPANY shall furnish YUIMA the per share amount of each assessment levied by its Board of Directors, together with the name and address of each shareholder and the number of shares held by each COMPANY's stock as are issued and outstanding on the effective date of each assessment.

6. All water furnished COMPANY by YUIMA from sources of supply available to YUIMA shall be considered as water purchased by COMPANY in accordance with YUIMA's rates, rules and regulations relating to similar wholesale deliveries as may from time to time be applicable.

7. YUIMA shall make periodic reports at the request of COMPANY but not more frequently than quarterly. The amount of YUIMA's collection made on behalf of COMPANY shall be deposited directly to COMPANY's account.

8. YUIMA agrees that COMPANY may inspect COMPANY's water production and distribution facilities, books, records and accounts during normal working hours provided that such examination or inspection shall in no way interfere with YUIMA's operations under this contract.

9. YUIMA, in its operation of COMPANY's system, shall establish new service and connections to COMPANY's system only upon an express direction and authority from

COMPANY's Board of Directors. COMPANY will pay YUIMA for the costs (both direct and indirect) incurred in making new service connections.

10. This Agreement shall supersede and cancel all oral agreements between the parties under which YUIMA acted as COMPANY's agent.

11. This Agreement may be terminated by either party upon giving at least three (3) months written notice of such termination to the other.

12. COMPANY agrees that a number of factors make the following indemnity and liability limitations reasonable, necessary, valid, enforceable and not contrary to public policy. These factors include, but are not limited to the following:

- (a) The nature and extent of the services.
- (b) The services are not suitable for public regulation.
- (c) The services are not of great public importance.
- (d) The services could be performed by employees of COMPANY or by persons engaged in the business of providing such services for profit.
- (e) YUIMA is performing the services at its costs as an accommodation to COMPANY and is not seeking to perform the services.
- (f) COMPANY and YUIMA are equal in bargaining strength and COMPANY is free to obtain the services elsewhere.
- (g) COMPANY is able to obtain insurance with respect to its property and its indemnity.
- (h) The amount of compensation to be paid.
- (i) The control retained by COMPANY.
- (j) The condition of COMPANY's property.
- (k) YUIMA is a public agency with limited personnel and financial resources.
- (1) The potential liability to YUIMA without the limitations and liability could impede the public purposes for which YUIMA exists and adversely affect its taxpayers and other water users.

To the fullest extent permitted by law, YUIMA, its directors, officers, employees, agents and volunteers shall not be held liable for any claims, liabilities or damages to any property of any person including that of COMPANY, nor for personal injury to or death to any person caused by or resulting from any acts or omissions (active, passive or comparative, negligence included) of YUIMA or its directors officers, employees, agents or volunteers

arising out of, or alleged to have arisen out of, the performance or the failure to perform any of its obligations under this Agreement. COMPANY agrees to indemnify and hold free and harmless YUIMA and its directors, officers, employees, agents and volunteers against any such claims, liabilities and damages and any cost and expense incurred by them on account thereof. It is agreed that this indemnity is not limited in any way by the extent of any policy of insurance held by either party or by any limitation on the types of damages, compensation or benefits payable under worker's compensation acts, disability acts, or other employee acts. The foregoing limitation on liability and indemnity shall not apply to physical damage to the property of third parties or to personal injury or death that is determined to have been caused or resulted solely and exclusively by the fault or negligence of a party indemnified.

COMPANY shall maintain comprehensive or commercial general liability insurance in amounts not less than \$2,000,000 per occurrence with insurance companies acceptable to the district. All such policies shall name YUIMA, its directors, officers, employees, agents and volunteers as additional insured under the policy and provide District with certificate of insurance and endorsements. Said policies shall have a clause requiring that 30 days' written notice be given to YUIMA prior to any material change or cancellation of said policies.

COMPANY agrees that the provisions of California Civil Code Section 1668 do not apply to this Agreement. Civil Code Section 1668 provides:

> "All contracts which have for their object, directly or indirectly, to exempt anyone from the responsibility for his own fraud, or willful injury to the person or property of another, or violation of law, whether willful or negligent, are against the policy of the law."

All acts of YUIMA under this Agreement will be performed with the express understanding that YUIMA makes no warranties, expressed or implied, with respect thereto.

IN WITNESS WHEREOF, this Agreement has been executed on behalf of the parties by their duly authorized officer.

YUIMA is a member agency of San Diego County Water Authority, and its territory is included within the Metropolitan Water District of Southern California. As such member agency, YUIMA is entitled to purchase water from Water Authority and has constructed a pipeline and other works for the transmission of water from the aqueduct of the Water Authority into the district, together with facilities for the transmission and delivery of water into the distribution system of RANCHO ESTATES.

Additionally, Yuima reserves the right to cancel any schedule support service work in the event of an operational emergency within YUIMA's operating system. If YUIMA is unable to perform requested

services in a reasonable timeframe, YUIMA will notify RANCHO ESTATES to determine if RANCHO ESTATES would like YUIMA to arrange for an outside contractor to perform the work. YUIMA Support services work is limited to the following:

- a. Assist RANCHO ESTATES staff with meter replacement and installations.
- b. Assist RANCHO ESTATES staff with mainline and service lateral repair

- 4. RANCHO ESTATES must contact Mark Quinn to request all services and YUIMA Operations Staff shall not perform any services without approval of YUIMA management and an approved service order.
- 5. If the amounts provided for in this section are, in the opinion of YUIMA, insufficient or, in the opinion of RANCHO ESTATES, excessive, either party may, on thirty-day notice to the other, propose adjustments to YUIMA's compensation. In no event shall the amount paid YUIMA under this paragraph be so reduced that YUIMA's duties hereunder result in a burden on YUIMA's general funds which is not reimbursed by RANCHO ESTATES.
- 6. This Agreement may be terminated by either party upon giving at least one (1) months' written notice of such termination to the other.
- 7. RANCHO ESTATES agrees that a number of factors make the following indemnity and liability limitations reasonable, necessary, valid, enforceable and

- (1) The potential liability to YUIMA without the limitations and liability could impede the public purposes for which YUIMA exists and adversely affect its taxpayers and other water users.

To the fullest extent permitted by law, YUIMA, its directors, officers, employees, agents and volunteers shall not be held liable for any claims, liabilities or damages to any property of any person including that of RANCHO ESTATES, nor for personal injury to or death to any person caused by or resulting from any acts or omissions (active, passive or comparative, negligence included) of YUIMA or its directors, officers, employees, agents or volunteers arising out of, or alleged to have arisen out of, the performance or the failure to perform any of its obligations under this Agreement. RANCHO ESTATES agrees to indemnify and hold free and harmless YUIMA and its directors, officers, employees, agents, and volunteers against any such claims, liabilities and damages and any cost and expense incurred by them on account thereof. It is agreed that this indemnity is not limited in any way by the extent of any policy of insurance held by either party or by any limitation on the types of damages, compensation or benefits payable under worker's compensation acts, disability acts, or other employee acts. The foregoing limitation on liability and indemnity shall not apply to physical damage to the property of third parties or to personal injury or death that is determined to have been caused or resulted solely and exclusively by the fault or negligence of a party indemnified.

8. In is understood and agreed by the parties hereto that nothing in this Agreement shall obligate YUIMA to provide any of the services or materials contemplated by this Agreement to RANCHO ESTATES if, in the sole judgment of YUIMA's Management, providing such services or materials would compromise or jeopardize the interests of YUIMA, its employees or its customers.

- 9. RANCHO ESTATES shall maintain comprehensive or commercial general liability insurance in amounts not less than \$2,000,000 per occurrence with insurance companies acceptable to the district. All such policies shall name YUIMA, its directors, officers, employees, agents and volunteers as additional insured under the policy and provide District with certificate of insurance and endorsements. Said policies shall have a clause requiring that 30 days' written notice be given to YUIMA prior to any material change or cancellation of said policies.
- 10. RANCHO ESTATES agrees that the provisions of California Civil Code Section 1668 do not apply to this Agreement. Civil Code Section 1668 provides:

All contracts which have for their object, directly or indirectly, to exempt anyone from the responsibility for his own fraud, or willful injury to the person or property of another, or violation of law, whether willful or negligent, are against the policy of the law.

- 11. All acts of YUIMA under this Agreement will be performed with the express understanding that YUIMA makes no warranties, expressed or implied, with respect thereto.
- 12. Agreement expires June 30, 2024 and will be reviewed for renewal annually.

IN WITNESS WHEREOF, this Agreement has been executed on behalf of the parties by their duly authorized officer.

## RESOLUTION NO.

## RESOLUTION OF THE BOARD OF DIRECTORS OF THE YUIMA MUNICIPAL WATER DISTRICT ADOPTING INCREASES IN WATER RATES AND CHARGES AND AMENDING RULES AND REGULATIONS GOVERNING WATER SERVICE

## (Amending Rules & Regulations Governing Water Service) (Schedule of Rates, Rentals, Fees, Deposits & Charges) (2.27; 16.1; 16.5 and 18.3.6)

WHEREAS, Yuima Municipal Water District is a California Municipal Water District created by the Municipal Water District Act of 1911 (Water Code Section 71000 et seq.); and

WHEREAS, Yuima Municipal Water District mailed Notices to all property owners and customers within its boundaries, advertising a Public Hearing at the Board of Directors' meeting on May 12, 2023, to consider an increase in water rates and charges; and

WHEREAS, The Board of Directors conducted a Public Hearing at a regular meeting on June 26, 2023, in accordance with the Notice to consider the rate increases described in the Notice; and

WHEREAS, the Board of Directors considered the Proposed Schedule of Rates and Charges and heard the comments of interested persons at the Public Hearing.

NOW, THEREFORE, BE IT HEREBY RESOLVED, DETERMINED AND ORDERED by the Board of Directors of Yuima Municipal Water District as follows:

- 1. The matters set forth in this Resolution are true and correct statements.
- 2. The Board of Director of Yuima Municipal has been presented with data showing the estimated reasonable costs of providing water and water services, and data showing the revenue sources available to cover the costs of providing such water and water service.
- 3. The Board of Directors authorized and directed the General Manager to give Notice of a Public Hearing, and Notice was given by mailing to all property owners and customers within the District boundaries, no less than 45 days prior to the Public Hearing and posted in a local paper. On June 26, 2023, at the time and place set for the Public Hearing, this Resolution was considered, and the Board heard and considered the comments of all

persons appearing at the Hearing, and all written comments submitted prior to the close of the Hearing.

- 4. The Board of Directors finds that Schedule of Water Rates and Charges attached hereto as Exhibit "A" and by this reference incorporated herein, will result in revenue to the District, taking into consideration the estimated reasonable cost of providing water and water related services and the sources of revenue available to the District to cover the cost of such facilities and services, which will not exceed the estimated cost of the services for which the water and water related rates are charged.
- 5. The Board of Directors finds that the Schedule of Water Rates and Charges, taking into consideration the estimated reasonable cost of providing all services by the District and the sources of revenue therefore, will result in a fair and reasonable revenue program, reasonably allocating the cost of water and water related services to those who benefit therefrom, without unfair subsidy to or by those who pay for the water and water related services.
- 6. The Board of Directors find that the Water and Water Related Rates established by this Resolution are for the purposes of: (a) meeting operational expenses, including employee wages and fringe benefits; (b) purchasing and leasing of supplies, equipment and materials; (c) meeting financial reserve needs and requirements; and (d) passing through wholesale water rates and charges by the San Diego County Water Authority and the Metropolitan Water District of Southern California (e) passing through the fixed charges imposed by the San Diego County Water Authority and the Metropolitan Water District (f) passing through the amount of any reduction in, or elimination of, the allocation of property taxes to the District by the State of California and County of San Diego, (g) obtaining funds for capital projects necessary to maintain service within existing service areas, as set forth in this Resolution, and more particularly described in the District's Budget for the Fiscal Year 2023-2024, and therefore, the establishment of such rates is not subject to the California Environmental Quality Act (CEQA).
- The Board of Directors find that the revenue derived from the Water Rates established by this Resolution: (1) Does not exceed the funds required to provide the capital facilities and services; (2) Shall not be used for any other purpose than that for which the charge was imposed; (3) Does not exceed the proportional cost of the service attributable to each customer; (4) Provides a service which is immediately available to the customer; and (5) Is not levied for general governmental services.
- 8. The Schedule of Water and Water Related Rates set forth in Exhibit "A" is hereby adopted as an Amendment to the District's Rules and Regulations

governing water service, and the General Manager of Yuima Municipal Water District is hereby authorized and directed to collect the new Water and Water Related Charges on all bills mailed on and after the effective date of this Resolution.

9. This Resolution shall take effect for all bills mailed on or after August 1, 2023.

PASSED AND ADOPTED at a regular adjourned meeting of the Board of Directors of YUIMA MUNICIPAL WATER DISTRICT held Monday, June 26, 2023, by the following vote:

#### Amy Reeh, General Manager Yuima Municipal Water District

(1) A California governmental unit may increase its appropriation limit by either the annual percentage increase in California fourth quarter per capita personal income, or the percentage increase in the local assessment roll from the preceding year due to the addition of local non-residential construction, whichever greater.

#### Summary:

In November, 1979, the voters of California approved the addition of Article X111B to the State Constitution. This amendment provided a maximum annual percentage that proceeds of taxes could increase. We have to comply with the legislation by annually establishing an appropriation limit for the amount we receive from property taxes and the earnings we receive on the investment of tax revenues. If the actual proceeds ever exceed this limit, refund of the excess would have to be made. Refunds of taxes collected have not had to be made in the past, and refunds in the future are doubtful as the percentage increase against the base year is increasing greater than our share of the 1% property tax.

Under Proposition 111, the method of calculating the annual appropriation limit was revised, effective July 1, 1990. The California Constitution specifies that the appropriation limit may increase annually by a factor comprised of the change in population combined with either the change in California per capita personal income <u>or</u> the change in local assessment role due to local nonresidential construction. The appropriation limit method recommended for adoption uses the highest of the options available to maximize our limit for 2023-24 which is set at \$2,262,340.

Government Code Section 7910 also requires a 15-day period for our calculations to be available to the public for their review, if desired. The Public Notice was posted June 5, 2023 in compliance with this requirement.

### Yuima Municipal Water District Appropriations Limit Annual Calculation 6/5/2023

Factors:	
Per Capita Cost of Living Change = 4.44	4%
Population Change = 0.00%	
Per Capita Cost of Living converted to a ratio:	$\frac{4.44 + 100}{100} = 1.0444$
Population coverted to a ratio:	$\frac{- + 100}{100} = 1$
Calculation of factor for the fiscal year:	1.0444  x  1 = 1.0444
Current Year Appropriations Limit: (Prior Year Limit x Current Year Factor)	2,166,162 x 1.0444 = 2,262,340

1. Updated July 1, 2022. If, at the time of adoption, an employee's vacation earnings rate is higher than 16.67 hours per month, the employee's current earnings rate will remain the same but not increase annually thereafter.

24 hours worked  $\div$  80 = 30% x 5 hours (the amount allotted after five years of employment = 1.5 hours vacation accrued this pay period.

Vacation benefits accruing to a regular employee will be prorated using the same formula above in the event the employee does not work the entire pay period because of termination, leave without pay or hire date. The proration will be based on the number of hours actually workedworked during the pay period in question. Authorized paid leave is considered time worked.

Vacation cannot be taken before it is earned; however, if you are leaving for a vacation period, upon request to the Accounting Department, a pay check may be issued for the accrued vacation days which will be expensed during the period that you will be on vacation. It is the intent of the
