There is a Familiar Face at Yuima

At the special board meeting on November 1st the Board of Directors appointed Susan Collins Meyer as Yuima's interim General Manager until the top seat is filled. Susan, a 27-year previous Yuima employee, retired from the General Manager position in 2004. We are very fortunate to have Susan back at the helm while the firm of Bob Murray & Associates handles the executive recruitment for the General Manager position.

Lori Johnson will be retiring on November 4th after 38 years with the District. She is looking forward to the next chapter in her life. We wish her all the best and will miss her dearly.
