1. **Review the District Investment Policy**
2. **Review the District Insurance Coverages**
3. **Review the Proposed 2016/17 Fire Protection Budget**
4. **Review the Personnel Committee Report & Recommendations on Salary and Benefit considerations**
5. **Review IDA Special Connection Fee 2016/17 Adjustment**

Background: The members of the board and staff will review and discuss items listed above at this workshop.

Staff Recommendation: That the Board adopt the committee recommendations to be incorporated into the 2016/17 budget.

6 Review the Notice of Public Hearing for adjustments to the Water Rate, Fees and Charges

Background: Compliance with Proposition 218 requires the mailing of a *Notice of Public Hearing* of a proposed rate increase to all landowners and water customers in advance of the public hearing considering such rates. In order to meet the mailing requirements, notices will need to be mailed by May 13th for the hearing to be held on June 27th. Since this notice is required prior to the District receiving the water rates and fixed charges from the San Diego County Water Authority and the District's final budget projections it is proposed that the notice include wording up to a *maximum percentage* on all water, pumping, and meter related fees and charges. If it is determined that the increases are direct pass-through and include no local Yuima portion, then no notice is required as the prior resolution covered all direct pass through increases.

Recommendation: That the Board approve the proposed Notice of Public Hearing for the proposed rate increase.

1:45 - 1:50 P.M. **II. OTHER BUSINESS**

1:50 - 1:55 P.M. **III. ADJOURNMENT**
