Dear Valued Customer:

As you have heard, the San Diego County Water Authority agreed to postpone the shutdown that was scheduled for November 1st through the 11th.

The shutdown for maintenance on our pipeline is now scheduled for *midnight on Sunday, December 6th through 9:00 am on Wednesday, December 16th.*

All Interruptible Agriculture and TSAWR / AG Customers are prohibited from irrigating during the shutdown period and all other water uses must be restricted to domestic use only.

We hope that this advance notice will help you in planning and preparation for this shutdown.

As always, we apologize for the inconvenience and are extremely thankful in advance for your cooperation.

Please contact me at 760-742-3704 should you have any questions or require additional information.

Sincerely,

A handwritten signature in blue ink that reads "Amy Reeb". The signature is fluid and cursive, with a large loop at the end of the name.
